

**Limited Edition Prints, Prints and Note Cards
Fundraiser
Our Saviour's Lutheran Church, Norge, Virginia**

The proceeds from the sale of the limited edition prints (**LE**), prints, and note cards will go toward the commercial upgrade of the kitchen in the Parish Hall of Our Saviour's Lutheran Church.

The Parish Hall and kitchen are used fee-free by numerous non-profit organizations such as the Herb Society, Piecemakers (Quilting Group), AA (two groups), Boy Scouts, and Cub Scouts. The kitchen is used to prepare food for fundraisers, such as Relay for Life. The church participates in a motel ministry by preparing weekend meals for homeless families living in local area motels. Additionally, the Parish Hall is a designated shelter during natural disasters. Our Saviour's goal is to provide a kitchen that meets the needs of our church and community.

Our Saviour's is deeply indebted to the artist Richard and his wife Janet De Paul for donating their time and talent in producing an original watercolor of one of the area's iconic landmarks and in producing the **giclée limited editions (LE) (50 small and 50 large)**, prints, and note cards. **Make checks payable to OSLC and in memo section note: Kitchen Renovation Fund.**
